INTRODUCTION

Welcome to the summer newsletter at the completion of the 2013-2014 programme season. We have had an excellent programme year and hope to repeat the quality and mixture of speakers over the next twelve months. Our thanks are due to Richard Husband, our Secretary, who has organised this.

From time to time we have to make changes to our published programme on the blue cards. However, the editor tries to keep the programme details on the Society's web site always up to date; this can be found at; -
www.cambridgephilatelicsociety.co.uk

If any member is on email, and has not received this newsletter by email, but would be happy to receive future newsletters and communications by email then would you please let the secretary know at; info@cambridgephilatelicsociety.co.uk ; this will help save on both postage and paper costs.
